The democrat who is not ready to stand up and be counted for his party this year, certainly is mighty weak in the faith. There may be some who were disappointed over the result of the primary, but it must be remembered that every one could not be successful in having his friend nominated. And don't forget that these candidates represent democratic principles.

We failed to get a report of the speech delivered at Lutesville Tuesday of last week by Hon. Cornelius Roach, secretary of state. Our work demanded our time so that it was impossible for us to be there and in the rush of work we unintentionally overlooked it altogether. Mr. Roach did not get to Lutesville in time to make a speech and catch the train for his next appointment, and he made an interesting short talk at the depot, to a good crowd, who enjoyed his remarks. We hope Mr. Roach may come to our county again at a time when he can have an opportunity to do himself full justice.
